### **Technical Regulations**

#### **Rules:**

For matters not covered by these regulations, the general rules of World Archery for target shooting competitions, as regulated in WA Book 3, will be applied, with the sole exception of the distance reduced to 50 meters.

The shooting times per end will be those provided by WA (ends of 6 arrows in 240 seconds).  
Recurve (Olympic bow), Barebow, and Longbow Divisions will shoot on a 122 cm target. The Compound Division will shoot on an 80 cm reduced target (10-5).

#### **Requirements:**

Participation is allowed for all athletes who are regularly registered, with the payment of the registration fee and a medical certificate of fitness for sports.

#### **Categories:**

Open male and female  
No distinction based on skill levels.

#### **Competition Format:**

The competition will consist of a target shooting event for Olympic, Compound, Longbow, Barebow, and Traditional bows.

The qualifying phase will be held with a double series of 72 arrows at a distance of 50 meters with a 122 cm target (80 cm reduced target for Compound).

Official shots will be held on the competition field.

- The elimination rounds and finals will be held at the same distances as the qualifying round.
- The elimination rounds will be arranged to ensure each participant competes in at least one match.

### **Team Tournament:**

A team consists of 3 players. The team's result will be the sum of its members' scores in the individual tournament, and the team with the highest total score will be the winner. In case of a tie, shoot-offs will be held as provided by WA rules. Teams may also be mixed (male and female), but members must belong to the same Division (Recurve, Compound, Barebow, Longbow).
